

IN THE CLAIMS

Please substitute these amended claims for the claims filed originally with this application. A marked-up version with additions underlined and deletions in brackets appears in Appendix A.

- Sub B1*
- Q1*
1. (amended) An integrated light and accessory assembly for a motor vehicle, comprising:  
an insulator,  
at least one reflector mounted on said insulator;  
at least one conductor mounted on said insulator;  
at least one lamp connected to said at least one conductor and assembled inside said at least one reflector;  
at least one control module mounted on said insulator and connected to said at least one conductor; and  
a housing, enclosing the insulator, the at least one reflector, the at least one conductor, the at least one lamp and the at least one control module,  
wherein the lamp and the reflector are adapted to provide illumination, and the conductor and the control module are adapted to receive electrical power.

- Q2*
6. (amended) The assembly of Claim 1, further comprising a device mounted to the insulator and connected to least one conductor inside the housing, the device selected from the group consisting of an antenna, a sensor, and a transmitter.

*SAC*  
*132*

*Q3*

14. (amended) An integrated light and accessory assembly for a motor vehicle, comprising:

an insulator;

at least one reflector mounted to said insulator;

at least one conductor mounted to said insulator;

at least one lamp connected to said at least one conductor and assembled inside said at least one reflector;

an electronic module mounted on said insulator and connected to said at least one conductor; and

a housing, enclosing the insulator, the at least one reflector, the at least one conductor, the at least one lamp and the electronic module,

wherein the lamp and the reflector are adapted to provide illumination, and the conductor and controller are adapted to receive electrical power.

15. (amended) The integrated light and accessory assembly of Claim 14, wherein the lamp is selected from the group consisting of a headlamp, a fog lamp, a side lamp, a parking lamp, a hazard-warning lamp, a rear-illumination lamp, a dome lamp, and an interior lamp.
